Consigli di posa
Laying suggestions

Al fine di semplificare le operazioni di posa e ottimizzare la resa estetica del prodotto si raccomanda di posare con 2-3mm di fuga. To simplify laying operations and ensure the product looks its best, it is advisable to lay with joints of 2 to 3 mm.

Si suggerisce di posare i formati rettangolari affiancati o sfalsati di 2/3. It is recommended that you lay the rectangular formats side by side or offset by 2/3.

La leggera stonizzazione cromatica della superficie evidenzia la naturalezza del prodotto, per ottenere il migliore effetto estetico si raccomanda di posare attingendo contemporaneamente da scatole diverse. The slight variations in surface colour shade highlight the naturalness of the product. To achieve the best visual results, it is advisable to mix tiles from different boxes when laying.

Subito dopo la stagionatura delle fughe, si raccomanda di effettuare la pulizia del pavimento come descritto su: www.keope.com/cleaning.htm. As soon as the joints have fully set, it is advisable to clean the flooring as described on www.keope.com/cleaning.htm.
